

State Officers Needed

Urgent Request of MISSAR Nominating Committee

There are several opportunities available for service on the State Board of Managers in the Michigan Society. Several state officers have served for a length of time and are stepping down from their responsibilities. These officer positions must be filled by other Compatriots in order for the SAR organization in Michigan to continue function. If you have an interest in filling one of these positions, or maybe you have suggestions regarding others who might be qualified, please contact one of the nominating committee members.

Available officer positions are:

2d Vice President
Secretary
Treasurer
Historian

A note concerning the office of State Secretary, this position is fun, rewarding, and one of the most essential throughout the entire Michigan Society. On occasion it can be a little demanding of ones time. Ideally a retired person with more available time is best suited for this position, but if necessary, the secretarial responsibilities could be split up between two positions Recording Secretary and Executive Secretary to lessen the work load.

As for the office of State Treasurer, a knowledge and proficiency of double-entry accounting is not required. The Michigan Society's bookkeeping can be kept using nothing more than simple checkbook software such as Quicken.

Compatriot members currently serving on the MISSAR Nominating Committee are:

President Joe Conger	k2rider@chartermi.net
Ellis Olson	olesandy@sbcglobal.net
Don Nutt	dnutt@sandcreektelco.com
E. Lou Hoos	elouhoos@sbcglobal.net
Richard Steele	r.a.steele@sbcglobal.net
Charles Barr II	(231) 276-9557

Please volunteer and step forward, to keep the Society moving forward and functioning.
