Why: A National Marker is a first for Northville's Oakwood Cemetery, where the remains of Revolutionary Veteran William Gregory, and War of 1812 Veteran Caleb Harrington are interred. NSDAC members are descendants of a man or woman who rendered patriotic or civil service to the American Colonies prior to 4 July 1776. Members work to preserve our heritage and record our history for future generations while serving our communities through Patriotic Education, Scholarships for American Indian students, marking historical sites, serving our veterans and more.
